Mixed Team Rules:

Categories:

Recurve teams – 70 m

Compound teams – 50 m

Barebow teams – 50 m

Team Formation Rules

- Each team consists of 2 athletes.
- Each country may enter more than one team.
- Teams may be composed of one male and one female athlete from the Adult, U21 or U18 age groups.
- Age groups (U18, U21, Adult) may be freely combined within teams. Each team competes at the official Adult distance for its category (Barebow and Compound: 50 m, Recurve: 70 m).
- Younger athletes (U18, U21) do not need to enter the Adult individual category in order to participate in the team elimination round at the Adult distance; they may shoot the individual competition at the distance of their own age group and switch to the Adult distance only when competing in the team event.
- Teams must be registered online or at the Competition Office no later than the start of the qualification round, indicating the category and the name of the teammate.

Mixed Team registration is available via the following entry form: <https://forms.gle/dYuF7FFncNtEEU768>

During the competition, smoking, the use of e-cigarettes and the consumption of alcoholic beverages are prohibited on the field and in its immediate vicinity.

Dress code: national team or club uniform

By submitting the registration, competitors and their accompanying persons acknowledge that the organisers will process and store the personal data required for recording competition results until the end of the competition season. They also expressly consent to the organisers taking photographs and video recordings of them during the competition, which the organiser may later publish in connection with its sports activities.

USE OF IANSEO SCOREKEEPER NG

In addition to paper-based scoring, electronic scoring will also be used. Each result must be entered on your own phone using the *Ianseo ScoreKeeper NG* application. An independent Wi-Fi network will be provided on the field for this purpose. Please download the **Ianseo ScoreKeeper NG** application in advance!
